LOCAL MAN WILL TRY TO RECAPTURE STATE CHAMPIONSHIP CUP

Although Greatly Handicapped By Being On Crutches Because of a Broken Leg, W. Houston Hall Will Try For Championship.

Mr. W. Houston Hall, of this city, three times State Champion trap shooter, will make an effort to re-gain the championship which he lost last year at the state shoot which opens in Louisville tomorrow.

Mr. Hall is greatly handicapped this year, however, because of the fact that in a baseball game recently he suffered a broken leg and is still compelled to walk on crutches. This will make it quite awkward for him and should he regain his lost title under these conditions he will be entitled to extraordinary recognition.

Maysville will have another representative at the state shoot in addition to ex-champion Hall and this will be Dr. J. A. Simpson, an expert marksman who during the past few years has been making a wonderfully rapid development into first class. Maysville friends who have been seeing and hearing of some of Dr. Simpson's accomplishments at practice on the Maysville Gun Club's grounds, are expecting to hear big things from him at Louisville and it would not be a surprise if Dr. Simpson would capture the state cup and bring it back to Maysville with him.

INTEREST IS BEING SHOWN IN PROPOSED NEW BAND.

Considerable interest is being shown by youngsters and their parents in the announcement that a new Juvenile Band is to be organized at once. All those who are interested should remember to meet with Prof. Young and the committee at the band room in the Caproni building next Monday evening at 8 o'clock when all will be explained thoroughly.

FUNERAL OF AGED WOMAN IS HELD TODAY.

The funeral of Mrs. Dimmy Carrey, who was found dead Tuesday evening at her home in Forest avenue, was held from the home this morning and burial was made in the Maysville cemetery.

Miss Sallie Rains after visiting at Winchester, Lexington and Frankfort will spend the remainder of her vacation at Winona Lake, Ind.

CAMP TAYLOR WILL BE ABANDONED

War Office Orders Disposal of Kentucky Cantonment With the Next Twelve Months.

Washington, July 28. — Camp Zachary Taylor, near Louisville, Ky., must be abandoned, salvaged and disposed of, under instructions from Congress, not later than June 30, 1921, and movement is directed at this time, the War Department announced, "so as to avoid further expenditure of funds for its care and upkeep."

The movement of the First Division to Camp Dix and abandonment of the camp, it is announced, will take place about September 1. The artillery school already has been ordered to change station to Camp Knox, Kentucky.

Louisville, Ky., July 28. — Camp Taylor was completed in the summer of 1917 at a cost of \$7,500,000. It comprises 2,300 acres of land and contains 2,500 buildings. It has trained 125,000 recruits, including the Eighty-fourth Division. It has had a maximum population of 63,000 and now contains approximately 7,000 officers and men of the First Division.

Major General Charles P. Summerall, commander of the division, in a statement today said, while he received no orders, the personnel could be moved on 24 hours' notice, but that probably four months would be required to remove the supplies, which are estimated to total \$25,000,000.

Referring to the statement from Washington that the land would revert to private owners, General Summerall indicated that the Government held title to the property and that any money derived from its sale would revert to the Federal Treasury.

MANY GO TO CAMPMEETING.

Ruggles Campmeeting was formally opened for the season today and quite a number of Maysville people, who were waiting for the sound of the bell, left this morning for the camp. The evangelist for this year is Rev. Hubert Humble, of the West Ohio Methodist Conference, and he is said to be a wonderfully interesting speaker. Sunday will find many local people attending these services.

'SQUIRE BAUER HAVING GREAT TIME NORTH.

Several local friends today received postcards from 'Squire Fred W. Bauer who is spending his vacation at Twin Lakes, Minn. The 'Squire says he is having a great time.

Local Telephone Operators Leave Their Switchboards

Operators Take Offense at Newspaper Criticism Directed at Local Manager and Ask More Pay and New Working Conditions.

At a few minutes before 9 o'clock this morning, six telephone operators who had gone to work sometime before that hour, left their switchboard and visited the desk of the Chief Operator informing her that they were quitting at 9 o'clock and that the other five operators, who were not on duty at that time had been communicated with by telephone and that these five had also joined in the walk-out.

The operators informed Miss McDonough, the Chief Operator, that they had taken offense at criticism of the telephone service which had appeared in a morning newspaper. They stated that they had been doing their best to give the people of Maysville service and that they did not feel that they should be severely criticized. This was the only explanation given the Chief Operator for the walk-out and the six girls then left the building and went for a walk through the East End of the city.

Manager W. C. Corman was not at the office at the time the operators walked out but he was immediately summoned and in a few minutes he was in touch with the Superintendent of the company at Paris and informed him of the condition here. The superintendent left immediately by automobile for Maysville to take the situation in hand.

During the morning there was no one at work in the operating room at the local telephone office except the Chief Operator and the bookkeepers. The Manager and the line force, with this crippled force few calls were answered but the long distance and service was kept up fairly well.

Want More Money.
The striking girls when seen this morning stated that an article in a morning paper was immediately responsible for their walk-out. They represented certain statements in the article in regard to the service they had been giving and their actions while on duty but they also stated that they would not return to work unless the company agreed to pay them larger salaries and give them double pay for Sunday.

Members of the striking crowd stated that they had been working for some time as operators and were only drawing salaries of \$25 per month. Others stated that they were on special duty requiring extraordinary skill and were only getting \$37.50 per month. They stated that they had made every possible effort to give the public service that would be acceptable.

The matter of Sunday work seemed to be the main grievance of the striking girls. They contended that they were not getting paid for their Sunday work and that many of them were required to work most every Sunday. One little girl stated that she had worked for the past five Sundays straight and that she wanted some arrangement so that she could get a Sunday off once in a while if she returned.

All of the girls seemed to be willing to return to work promptly upon a reasonable adjustment of their differences. They want more money, double pay for Sunday work and an arrangement so that they can have a Sunday to themselves once in a while. The girls believe the salary scale should be graduated so that for more skillful work, the salary should be larger but they all contend that on their present salaries they cannot even make their spending money and that if they did not live at home with their parents they could not begin to make a half living.

Service Promised by Tomorrow.
General Superintendent Minor Corman, of Louisville, and District Superintendent J. J. Veach, of Paris, arrived here by automobile from Paris about noon. They will have a meeting with the striking operators at 4:30 this afternoon to go into the matter with them and they hope to be able to settle the difficulties and have the girls all back at work tonight.

These officials state that it is their purpose to do all they can to have the girls back on the job tonight but if they are unable to reach an agreement with the local operators, they promise service by tomorrow morning. If it is necessary to import experienced operators from other exchanges until new operators can be taught.

Manager Corman this afternoon stated that Cincinnati and Paris exchanges had both offered to send operators upon learning of the strike here. Other exchanges have also offered to lend assistance by furnishing operators but Manager Corman as the other officials are hoping that they will be able to adjust matters with the local girls at this afternoon's meeting.

ARRESTED FOR FORGERY.

Elmer Cochran, living on the Ohio side of the river, near Boude's Ferry, was arrested Monday by the Sheriff of Brown county, Ohio, while at work on the dam at Chillicothe, upon a charge preferred by O. P. Chahall, of Georgetown and asked permission to look for a bondsman, which was granted, and he made his escape. The sheriff, with several men, laid in wait for Cochran at the home of his father, "Polecat" Bill Cochran, Monday night and caught him as he came in late in the night and he was committed to jail. — Augusta Chronicle.

PROMINENT OHIO ELK KILLED BY ELEVATOR

Lawrence J. Casey, Past Exalted Ruler of Cincinnati Lodge of Elks, Killed Instantly This Morning.

Cincinnati, July 29. — Lawrence J. Casey, well-known contractor and prominent Elk, was instantly killed Thursday morning, when his head was crushed by a descending elevator cab in the building of the Ohio Rubber company, 228 West Seventh street. Casey, who had a contract for some repair work at the building, looked through an unglazed opening in the door to the elevator shaft on the first floor to see if the cab was descending. Just then the floor of the cab crushed his head against the framework of the door. Walter Malsbary, 2313 Inwood avenue, who happened into the place just as the accident happened, rushed to assist Casey, but was too late.

Mr. Casey was a past exalted ruler of Cincinnati Lodge of Elks in 1919, and this year was a delegate to the Grand lodge meeting in Chicago. He lived at McKinley avenue and Werk road, Westwood. He was married about six months ago to Mrs. S. Holder, widow of a former prominent Republican politician, and sister of George Schott, former sheriff. Casey also was secretary at the Irish Fellowship club since the club was founded. He was 45 years old.

JUDGE RHEA'S TRIAL IS BEGUN TODAY.

Russellville, Ky., July 29.—Preliminary hearing of Circuit Judge John S. Rhea, on a charge of sending an objectionable anonymous letter to Mrs. S. M. Herndon, associate editor of the Russellville Messenger, began today before U. S. Commissioner Hardy.

Many handwriting experts have been called to testify. Because of bitter factional feeling, precautions have been taken to prevent an outbreak. The charge against Judge Rhea is the climax of a political feud between the Rheas and the Herndons.

The Herndons were indicted in Judge Rhea's court last year on a charge of criminal libel, based on an editorial in the Messenger. Judge Rhea has served five terms in Congress.

AMERICAN LEGION MEETING.

A meeting of the members of the Leslie H. Arthur Post No. 13, of the American Legion is hereby called for Monday evening, August 2, 1920, at 7:30 o'clock at C. C. Early's office on West Second street, at which time a report of the business done during carnival week will be made, delegates to the State Convention, to be held in Louisville, September 2nd and 3rd, will be elected and various other matters of importance will be taken up. It is important that every member of the Post be on hand at the hour mentioned. R. N. STICKLEY, Commander. Official, HENRY E. POGUE, Adjutant.

OLD ELECTION OFFICERS TO SERVE FOR PRIMARY.

A meeting of the Mason County Board of Election Commissioners will be held during the month of September to select officers for the November election and for the first time women will be selected as election officers in Mason county.

COLORFUL GIRL PLACED IN SISTER'S CHARGE.

Alice Whaley, colored, was in Juvenile court today on a charge of contributing to the delinquency of her niece, Mary Ann Whaley, sixteen years old. The evidence disclosed that the aunt's home was not a proper place for the girl and Juvenile Judge Purnell ordered her removal to the home of her sister, Louise Ellis, where she will make her future home.

MYSTERIOUS JAIL DELIVERY AT FLEMING COUNTY CAPITAL

Officials Are Unable To Ascertain How Lewis County Prisoner Got Out of Fleming County Jail Tuesday.

The Flemingsburg Times-Democrat says:

"On the 10th of July a man who gave his name as Arthur Tyree and his home as Lewis county, was lodged in jail here on a charge of passing a forged check on W. H. Muse, of Muse Mills. He was the only occupant of the jail and was allowed the freedom of the corridor during the day. Tuesday Mrs. Fizer took him his dinner and locked the corridor after he had eaten. She saw nothing more of him and was out some little time after 4 o'clock, leaving the place locked up. On her return she prepared his supper and took it up to him. The door of the corridor was locked but the prisoner had gone. She found that the back door, which she had bolted when she went out, was unbolted; how he got out of the corridor is the mystery. An examination of the key, which is a brass one, shows scratches, as if it had been gripped with a steel tool of some sort. In the corridor this note was found, written in his hand on a sheet torn from a pocket diary:

"Don't you wish you knew how I escaped? You may catch some fellows but you can't catch this chicken. I have killed three men and hope to get the fourth, don't you?"

"The note was not signed but was evidently written by the escaped prisoner. Steps are being taken to recapture the fugitive, and if caught he will have a hard time in making another get-away."

CAPTAIN E. R. MONFORT DIES IN NEW YORK.

Cincinnati, July 29.—Captain Elias R. Montfort, former postmaster of Cincinnati, and formerly national commander of the G. A. R., died Thursday morning at the home of his daughter, Mrs. A. B. Burtis, Oak Corners, New York, where he had been visiting since last May. His death was sudden and the news of it came as a shock to his other daughter, Mrs. L. B. Simrall, of 918 Foraker avenue, Walnut Hills, with whom Captain Montfort made his home. No definite funeral arrangements have been made, but it was announced by members of the family that the body would be brought to Cincinnati for burial.

Misses Jessie Willocks, Cecile and Irene Tierney are visiting friends in Ft. Thomas and Latonia.

GONE FOR GOOD

Results That Last Are What Appeal to Maysville People.

Kidney sufferers in Maysville want more than temporary relief. They want results that last—Results like Mr. Lynch tells about. His was a thorough test. Four years is a long time. Doan's Kidney Pills have stood the test and stood it well. Why experiment with an untried medicine?

People here in Maysville have shown the way. Read the story of W. H. Lynch, shoemaker, E. Third St. He says: "My kidneys were weak and sluggish. At one time the action of my kidneys stopped altogether. I finally used Doan's Kidney Pills and in a short time the action of my kidneys became normal. I kept on taking them and they completely relieved me."

TROUBLE NEVER RETURNED
Nearly five years later, Mr. Lynch said: "I haven't had any need of a kidney remedy since I last recommended Doan's Kidney Pills. They have permanently cured me." Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Lynch had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

Ledger Service—Efficiency.

Catarrhal Deafness Cannot Be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarrhal deafness, and that is by a constitutional remedy. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarrh, which is an inflamed condition of the mucous surfaces. Hall's Catarrh Medicine acts thru the blood on the mucous surfaces of the system.

We will give One Hundred Dollars for any case of Catarrhal Deafness that cannot be cured by Hall's Catarrh Medicine. Circulars free. All Druggists. 75c.

"IN THE DAY'S NEWS."

Martin Behrman, who has announced his candidacy for a fifth term as mayor of New Orleans, has been chief executive of the Crescent City for sixteen years, a record of service almost unique in the history of the larger American municipalities. Mayor Behrman is a native of New York, though he has long been a resident of the South. He was educated in the schools of New Orleans, and has been actively connected with the city and state governments, in different capacities, for many years. In 1917 he was chosen president of the American League of Municipalities. As mayor he has shown many progressive qualities and has devoted himself to the welfare of the community he has been called upon to serve. During the late war, in opposition to the sentiment of some of his influential political supporters, he exercised his influence in the suppression of the liquor traffic and other evil influences in the neighborhood of the army camps in and near New Orleans.

A New Orleans promoter is endeavoring to bring together Johnny Wilson, the new middle-weight champion, and "Happy" Littleton, who has made a good showing in his recent bouts in the Crescent City.

UNCLE TED'S BED-TIME STORIES

Cox Will Fight For World Club Plan — Woodrow Wilson Still Ruler of Democratic Party.

"But Johnny says he is not," exclaimed Jack in a very excited manner, "and he ought to know because his father is a big Democrat."
"What's all the excitement?" asked Uncle Ted who just awoke to the fact that the argument of two red-blooded American boys was getting a little too warm.
Jack spoke up, "Tom says that President Wilson is still the leader of the Democratic party and that Gov. Cox will have to do just as he wants him to and Johnny says that isn't so."

"I'm afraid," interrupted Uncle Ted. "That Tom is right and Johnny very much wrong. I'll tell you kiddies all about it if you'll be good."

"Oh, Goody!" exclaimed Ruth who is always ready for a story.
"The Democrats must realize, although most of them won't admit it, that the American people are very much disgusted with the way in which Mr. Wilson has run this government. They want no more one-man government and would never see Mr. Wilson back to the White House even if he were running again and they WILL NOT elect any man President who is dictated to or who says he will follow the policies of Woodrow Wilson. Before Gov. Cox was nominated on the Democratic ticket at San Francisco, he was not a strong supporter of the World Club plan. He had said he was in favor of reservations to protest America. But he WAS nominated on a ticket that carries a platform that says Mr. Wilson was right in his stand for the World Club. Many people thought even then he might see that the right thing to do was not to be too strong for the club. Today there is no doubt how he stands and how he MUST stand."

"On Sunday, July 18, Gov. Cox was in Washington and had a talk with President Wilson at the White House. In the first place it must not make the people of the country feel very good to see the President giving Gov. Cox all the time he wanted to talk about campaign plans to keep the Democrats

in power when the President has been and is (according to the reports from the White House) too ill to talk to people who want to see him about important matters connected with the welfare of the country. Aside from this fact this conference was very important because it proves beyond any shadow of doubt, that Woodrow Wilson still dictates what the Democratic party shall do and that Governor Cox will simply be a tool in his hands, doing whatever Mr. Wilson tells him to do. After the conference was over both President Wilson and Gov. Cox issued statements. These statements show that Gov. Cox was completely won over to support the world club plan just as President Wilson insists it should be and just as it has been turned down by the majority of the United States Senate, many Democratic Senators included. Gov. Cox said he pledges with 'all my strength,' if elected to give 'what he promised' in other words, kiddies, Mr. Cox talked with Mr. Wilson and when he got through Mr. Wilson said, in so many words, that the Governor was entirely satisfactory to him. And remember that no man is satisfactory to Woodrow Wilson unless he promises to do and think just as Woodrow Wilson wants him.

"Whether Gov. Cox agreed with the President about the World Club plan before he went to see him, I do not know, but I do know that when he got through he did agree. The President in his statement said that the American people gave their sons and their money during the war with the plain understanding that the world club plan would be formed and that he went ahead to start it so that the American people MUST accept it just as he says it should be. When Gov. Cox went to the White House he was talking about reservations and when he left he talked of nothing but the Wilson league. He may have talked to the President about various kinds of reservations which he thought necessary to keep the twenty-one Democratic Senators in the party who voted against the world club. If he did, Mr. Wilson soon changed his mind for him. It must be an awful blow to the Democrats who worked so hard at San Francisco to keep Mr. McAdoo and the other men close to the Administration from getting the nomination. Most of the delegates at San Francisco realized that the best thing the Democrats could do would be to get as far away from Woodrow Wilson and all his connections as possible. Then they nominated Gov. Cox and everybody was happy. But — on Sunday, July 18, all their happiness faded away when they realized that Gov. Cox was going to be a real Wilson man, even to the extent of boldly promising to continue his policies, if he is elected."

"Jack, you and Ruth will remember that last summer we saw what was called a Punch and Judy show. Little toy people who danced, walked and acted by being pulled with strings from behind in the hands of some man who did the talking. That is exactly the way this country will be run should Gov. Cox be our next President. Mr. Cox would be the Punch and Judy and Mr. Wilson would pull the strings and do the talking."

"If the American people want four more years of Wilsonian one-man government; if they want the Constitution of the United States again thrown to the four winds; if they want American boys sent to every country in the world to fight the battles of foreign nations; if they want us made the laughing stock of the whole world and to see the policies of the fathers, of George Washington and Abraham Lincoln trampled under foot, then they will vote for Gov. James M. Cox, of Ohio. The Democratic party is sure to be overwhelmingly defeated."

Mrs. Arthur Hamilton, the first woman to swim the Solent, is going to repeat this summer her attempt to swim the English Channel, in which she failed last year. Whether she will be more successful this time remains to be seen, but the chances seem to be against her. Many expert women swimmers have tried the feat, but none so far has come within even measurable distance of success.

AGED MAN RUN DOWN
BY AUTOMOBILE.

Wednesday morning about 10 o'clock Claude W. Henderson was run down by an auto driven by Mrs. Thos. R. Havens, of the Helena pike neighborhood, on the crossing between the Odd Fellows and Masonic buildings. The accident seems to have been caused by the brakes on the Chevrolet not working properly and to the further fact that Mr. Henderson is quite deaf. He suffered a complete fracture of the right forearm, besides painful bruises, though it is hoped no internal injuries. He was taken to Lexington soon after the unfortunate occurrence to get the aid of the X-ray in setting the fractured bones. — Flemingsburg Times-Democrat.

CROP REPORT INDICATES
FAVORABLE CONDITIONS.

Word was given out last night from the Western Bureau Office by J. L. Kendall that Kentucky crops are thriving at present but that rain is needed badly in all sections of the state if conditions are to remain favorable.

The report stated that the recent cool weather was an asset to the crops in cultivation now because of the deficiency in rainfall in many localities. The tobacco and corn crops are reported as doing well under the present drouth.

Mr. and Mrs. Jacob Linn, of Carlsbad, N. Mex., who have been visiting relatives and friends here, leave tomorrow for Washington City.

RUGGLES CAMP MEETING OPENING TODAY LARGELY ATTENDED

People From Many States Are Camping This Year—Everything Is Now Ready.

(By J. H. RICHARDSON.)

Ruggles Campgrounds, July 28.
Well, here we are again! Once more we're "tenting on the old campground." And what a lovely place it is this year. We are accustomed to speaking in glowing terms of the beauties of the place—perhaps sometimes just through the force of habit—but this year we can indulge in all the superlatives we know and then not say all there could be said about the place. Fact is "It's good to be here." The grass is greener, trees statelier, the sunset lovelier, the girls prettier, the companionship sweeter, and the general tone of the place grander than ever before. This is written the night before the meetings begin. Having been here for several hours we have seen more people move in together with those already here than ever before this early. Campers are here from far distant points of the compass. It is sort of an annual "home-coming" for many of these folk. Already we have campers from Cleveland, Ohio; Pittsburg, Pa.; Kansas City, Mo.; Indianapolis, Pikeville, Newport, Augusta, and from nearby villages and communities. The day has been spent by many greeting friends. Tomorrow the good things begin. Services will begin on schedule time.

The busiest men on the grounds are President John Brodt, Mr. George Harding and "Bilby" Sons. Now that we have lots of the lumber right on the grounds sawed from our old trees, more repairing is being done than for years. Many private cottages look almost new. The Association has a lot of as fine lumber as one could find anywhere. Much of this will be saved for the building of a new "Kentucky Home" before next year. It would be well for all private owners of cottages that need repairing to secure lumber while it is on the grounds, thus saving much expense. This by way of suggestion and not to advertise.

Our good friend "Ed" Staton, the best biscuit maker in Kentucky, and H. C. Yazell who knows the camping hotel business "by heart" are at their posts of duty ready to dispense "good eats" to all comers.
Rev. Thos. B. Ashley, our "sweet singer in Israel" with his wife and two children arrived this afternoon. Brother Ashley had such a good time last year that he decided to share the joys of this year with his family.

Gerbrich the piano man brought up one of his best today for use during the meetings. It's the same piano that did such good service during our chauntiqua. With Prof. J. "Bob" Currey presiding at this fine piano there will be music worth hearing. Referring again to Mr. Gerbrich, you may know he is getting somewhat "ancient" for he refuses to discuss his age and the number of years he has furnished Ruggles with a musical instrument.

There will be "no flies" on the preachers this year. After bearing patiently all these years they are at last to be rewarded for their patience. Brodt and Harding have placed screens at the preacher's cottage for which they will receive the unanimous thanks of every person that occupies that mansion.

Rev. W. G. Bradford and family of Augusta, and Rev. Chas. Mitchell and family of Vanceburg are the only ministers present so far in addition to our Singer Bro. Ashley.

Mr. Edward Seahill, of Kansas City, ex-time resident of Maysville, is here today renewing acquaintances with old friends. He has been visiting his mother, Mrs. Algie Seahill, of Vanceburg, who is in poor health.

It sure looks like old times to see Mr. W. L. Davidson with his shotgun on the campgrounds again. He has missed for several years, since his residence in Cleveland, Ohio. He is in full possession of the Crane cottage, and is putting it in readiness for the coming of his sister, Mrs. Crane of Maysville, and Mr. Henry V. Morris of Covington.

Miss Marie Duzan who has just returned from an extended trip to New York, accompanied by Miss Esculine Travel are here camping with Miss Anna King.

Campers have been telling how our East End grocerman "Cage" Hutchinson enjoyed his first vacation for years here this week. His folks put one over on the old gentleman, having brought him out just for a little ride and then shipped off from him, leaving him here to take a much needed rest. When he found what had been done to him he became reconciled to his fate and had one of the times of his life. There are many who keep at their business from one year's end to the other who would feel like new men if they would take a few days off and spend the time at Ruggles. And this is not only speaking from a physical standpoint—the reward would come abundantly from a social and spiritual standpoint. Try it you men who are wondering what ails you!

KENTUCKY'S GOVERNOR HOLDS HOTEL INTRUDER

Governor Morrow Captured Intruder at Waldorf-Astoria and Delivers Him to Police.

New York, July 28.—Aroused by the scuffling of the guests with an alleged burglar in the Waldorf-Astoria Hotel here today, Governor Edwin P. Morrow, of Kentucky dashed from his room and helped to overpower the intruder, who fought desperately to escape.

Andrew Crawford, a lawyer, discovered the intruder in his room crouching at the foot of his bed and called for help, bringing a score of guests to his aid.

The alleged burglar, however, escaped and was about to run into Governor Morrow's room when the Kentuckian appeared in his pajamas and grappled with the man, whom he turned over to the police.

The intruder, later identified as Peter Hermida, a discharged hotel employee, was held in \$5,000 bail for unlawful entry.

COLORED CITIZENS.

Owing to Sunday's game with Augusta being called off, the R. J. R. Specials will play the Hillsboro, Ohio, team at League Park.

There is abundant evidence of the disastrous storm that took place last Saturday all the way from Maysville out. Corn and tobacco is torn badly by the hail as well as being covered with mud along the creek bottoms. The storm was terrific on the campgrounds but no damage done. Another good result from cutting away the dead timber.
